

Pleats

Stephen Burks

Technical

The Pleats sofa uses traditional steam pleating to unusual effect; giving a unique, three dimensional quality to the upholstery. The straight lines of the fabric pleats are counterbalanced by the angled base. Set on a powder coated steel plate, Pleats offers an exciting alternative to public space seating.

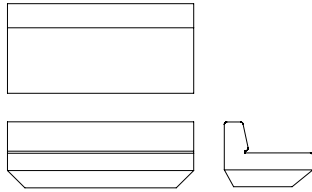

Materials

Frame	FSC ply, glued and screwed
Foam	CME Foam
Base	Steel powder coated finish in RAL 7021 Black Grey, with felt pads
