Christophe Pillet

Technical

Refined simplicity defines the starting point of this sofa system by Christophe Pillet, a streamlined, light and elegant basic form. The sofa sits on a simple and delicate frame and appears almost to float above the floor. Soft, feather scatter cushions in various shapes and sizes add to South's enticing comfort and gentle, domestic aesthetic. Crafted from a ply frame with foam cushions, an extruded aluminium frame and cast aluminium legs in a choice of powder coated or polished aluminium finish, South strikes the perfect balance between refined grace and sensual comfort.
