

Milo

Simon Pengelly

Technical

The Milo chair by Simon Pengelly has a dual personality; a clear, structured form with sharp, clean lines in one guise and a softer, much more relaxed, unstructured identity. A padded, removable cover with gathered detailing and contrasting zip transforms Milo from a precise, tight, moulded foam chair into a cosier, more domestic piece. With solid oak legs or a powder coated swivel base, Milo comes with or without arms in both the structured and soft version offering the perfect combination for every role.

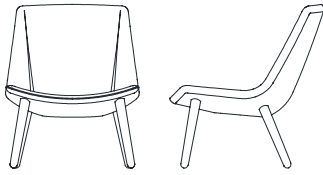

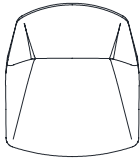

Materials

Shell	Cold cure polyurethane foam over a steel tubular frame fully upholstered
Swivel Base	Laser cut aluminium available in a polished or powder coated finish in RAL7021 Black Grey, with nylon glides
